

## The Mosley Academy Right to Respect

For the benefit of all our children, Governors and Staff at The Mosley Academy wish to work in partnership with their families. In order for this to be successful there is a need for mutual respect and understanding from parents, pupils, staff and governors.

Everyone deserves to be listened to and has the right to voice their opinions in a calm and respectful manner. Should this not be the case, any party has the right to postpone the conversation until a later date.

Everyone at The Mosley Academy hopes that the positive relationship which already exists between home and school continues.
