Mr M Baxter, Headteacher

Harvest Festival

You are all welcome to join us for our Harvest Festival on Friday 7th October at 10am. We will be serving tea and cakes before the festival from 9am so you can drop the children and stay! The proceeds from the sale of hot drinks and cakes will go to Cancer Research, and we will be donating the harvest produce to the YMCA & Salvation Army Soup Kitchen, which will help feed homeless people in the area. Thank you to the AMPs for suggesting this charity.

Harvest Donations

If you have some donations for our harvest display, please bring them in on Thursday 6th October. The AMPs are setting up the display on Thursday afternoon. Thank you!

Parent Governor Elections

We will be sending home letters next week about parent governor elections. If you would like to stand for a school governor, please complete the form and send it back into school.

School Parliament

As part of our on-going work on British values, this year we have set up our first ever 'School Parliament'. This will be similar to the School Council we have had in previous years, but we are using the Parliament idea to teach the children more about our own Parliament, democracy, voting etc. All of the children voted for their class representatives who meet with Miss Twells every two weeks to discuss ideas and suggestions to improve the school. We have also elected a Prime Minister and a Deputy Prime Minister, Josh and Evie from Year 6. These children will help Miss Twells run School Parliament and attend events. The entire school voted for their Prime Minister after 6 candidates did a speech in assembly. All the children then voted and put their voting slip into the ballot box in the hall. This has been a fantastic way to teach the children about the voting process and we hope they have enjoyed it!

Curriculum and Assessment Workshop

Thank you to those people who attended the workshop on the new curriculum and how we assess the children. We understand that not everyone can come into school due to work commitments, so the paper work is available from the office or is downloadable from the website.

Stars of the Week

Our stars of the week are:-

Class 1 = Darcy Sillito

Class 2 = Husayn Rajah

Class 3 = William Goulding

Class 4 = Lily Hill

Class 5 = Evie Galloway

Headteacher's Award = Luke Lovelock

Additional Classrooms

The additional two classrooms are slowly taking shape. As you know, the concrete was poured last week, and the wall frameworks arrived today. The builders have been making the basic structural frameworks off site and the children have really enjoyed seeing them go up today! I have been told that they are still on course to finish by the 16th of December!

Remember

A member of staff is on duty every morning, and the staff bring the children onto the yard at the end of the day, so please talk to us if you have any concerns or worries! If we know about something we can try to deal with it. Thank you.
