

Sun Safe Scheme

Please make sure the children have their hat and sun cream in school for the entire Summer term. They spend a lot of time outside and wearing a hat and sun cream helps them to stay healthy and safe in the sun. Wide-brimmed hats or 'legionnaire caps' are the best for keeping faces and necks covered. The children also need a water bottle so they can get fresh cold water from the dispenser in the corridor.

Year 6 SATs

Very well done to Year 6 for completing their SATs tests this week. They were so calm, organised and sensible all week. We are so proud of them!

Dogs on the School Site

Please do not bring dogs onto the school site. We are very grateful to those people who stay outside the gates when they bring dogs at pick up / drop off time.

Forest Schools

Do you have any logs? We are looking for some large logs that we can use to create a seating area. If you can help we will be very grateful!

Sports Day – Sat 17th June 12.30pm

A reminder that the children will need a t-shirt in their house colour for Sports Day. The children should know their team and colour as we regularly have team assemblies. Please don't go out and buy a new t-shirt if you already have one with some of the correct colour in it!

School Trips

We are aware that we are asking some parents for a lot of money at the moment due to the amount of school trips we have organised. We are now doing more educational visits in response to a number of parents asking for more school trips, so we have ensured that each class has at least one trip to go on. Also, the cost of the donkeys for Seaside Day has gone up dramatically! We have had no choice but to put the price up, in fact the cost per pupil doesn't actually cover all the costs of the donkeys and ice creams. Unfortunately it seems that everything is becoming more expensive! If you have any concerns around our school trips please get in touch with us, or if you would like to part pay. We know the children are going to have amazing and memorable experiences this term on their trips and events.

Stars of the Week

Class 1: Ben Reynolds

Class 2: James Bell

Class 3: Caitlin Crow

Class 4: Harry

Marchant

Class 5: Luke Lovelock

HT's Award: Year 6

Drayton Manor Trip

After the tragic events at Drayton Manor this week, understandably some parents are concerned about our school trip. At the moment it is too soon to make a decision about cancelling the trip due to safety concerns. However, it is worth pointing out that we do not take children on that particular ride, and of course we adhere strictly to height rules for accessing rides. We only take children on a few rides suitable for infants. Also, due to high levels of supervision we are constantly ensuring the children are following the park rules and safety guidelines. Most of the day is taken up with the education session and zoo. If you have any worries or questions please talk to a member of staff.
