Summer Production

Congratulations to everyone involved in our Summer production of Maui! The children were fantastic. They worked really hard and we are so proud of them. Thank you also to all of the staff who gave so much time and effort to produce such an astounding show. And finally, thanks to everyone in the audience – you were great!

Leavers Assembly

Our Year 6 children are now busy polishing their skills ready for the leavers assembly. This is always a poignant highlight of our school year. The assembly is on Thursday at 10 am and all are welcome to join us!

Year 4 / 5/ 6 Faith Trail

On Monday Years 4 to 6 visited Derby Open Centre and were taken on a 'Faith Trail'. They visited three places of worship, a Gurdwara, a Mosque and a Hindu Temple. The children learned an amazing amount from our guides and were incredibly respectful and well behaved. Very well done, children.

Summer Gala Update

Saturday 17th June 2017

Thank you for coming to our Summer Gala, thank you for spending time and money. This is a small break down so that you know who helped and what money was raised from our day.

First of all let me wind back to the start, the marquee's being erected into place thank you to the various dads, moms and helpers that put up the 3 marquees for us to use, and again thank you to the those who helped with them being dismantled.

On the Friday prior to the Gala Day, thank you to the lovely moms and dads again by helping to get the stalls ready. The Teddy Tombola Stall was the largest amount of Teddies I have ever seen. I must let you know someone very kindly donated a huge amount of Build a Bear clothes and bears, we have kept these back for Christmas and will have a special sale for them, thank you to whoever donated them. To all the parents that supplied the filled Jam Jars they sold extremely well thank you for taking the time to fill them with inventive ideas.

We now move to the actual Gala Day and what a beautiful day we had, the Sports Day was enjoyed by all, including all the parents and children that cheered them on. We had a few very kind donations made for the day, thank you to Lynn for baking the 'weigh the cake' won by Mrs. Walmsley and to Beth for baking the raffle cake won by Mr & Mrs Warrilow, they looked extremely tasty. Thank you to all of the children from KS1 who baked cakes and took part these were sold on the day, my apologies if you didn't find them but we did try to keep them in the shade due to the heat of the day, melted icing we didn't think would be a good idea! The giant teddy bear was named Charlie and won by Atticus.

I hope you managed to try the fabulous BBQ, thank you to Peake Retreats and Julie Sidwell for all their hard work and to Zoe and Helen for cooking Chips on the day. Plus all the many mums and dads who manned the stalls and stayed to dismantle them after the event. This day was only possible because so many people offered to help, so please when you look at a face in the school yard remember they might have served you, so give them a smile.

The important bit, an overall figure of £4600.00 was reported, this included the petty cash floats for the stalls at £735.00. The final figure once we have paid out for bouncy castles, prizes, food, drinks (yes the list does go on) is still a **fabulous £2800.00** - **YOU ALL RAISED THIS, THANK YOU AND PAT YOUR SELVES ON THE BACK** - this now goes back to the school for Mr. Baxter to spend on **OUR** children, so keep your eyes and ears peeled, we will keep you updated on what it is being spent on.

So all that is left to say is THANK YOU from the bottom of my heart, to the very nice people & teachers who erected, stood selling, dismantled, put away, baked, supplied items and generally helped ME to make a special day for YOU.
