Mr M Baxter, Headteacher

We need your help!

The children read for the first part of every morning, and during this time we listen to as many readers as possible. Of course, this is difficult without extra adults in the classroom, so if you can spare a few minutes in the morning we will be incredibly grateful! This will really help us to hear lots of the children read, and it really does have an impact! We think you will enjoy it too! If you have helped in the past you are welcome to start coming in after the bell in the morning whenever you are able to. New parents that are keen to come into school will need to complete a DBS form from the office. This is a simple application that all volunteers in school complete. And of course, if you would like to come into school as a volunteer any other time of the day we would be incredibly grateful for the help! Thank you!

Break Sales

At morning break times children may purchase a piece of toast and/or a hot chocolate from the school kitchen each day.

Toast 25p
Hot Chocolate 30p

Please note that children may only purchase 1 piece of toast, as we have found that in the past they struggle to eat their dinners.

Collection of children:

Could we politely remind all parents/carers that children should be dropped off and collected from the playground. This is a safeguarding issue; teachers will not allow children to go to parents who are not on the playground. Should you wish for your child to be able to walk to or from school, we require written consent from parents/legal guardians. Thank you.

Phonics Information for Parents

A reminder we will be running a phonics workshop for parents on Friday 22nd September, just before assembly at 2.30pm.

If you have children in Years R to Year 3, you should find it very useful.

If you came last year but would like to hear all about phonics again you are very welcome to attend!

It will be fun and informative and should enable you to help your child at home with phonics.

Holiday photos:

We are going to create a display, using a large map of the world in the entrance foyer. We would like all children to bring in a photograph of them on holiday somewhere in the world, so they can position themselves on the world map correctly! Please could all photographs be in by Friday 29th September 2017. Thank you! ☺
