READING

AT THE START OF EVERY MORNING WE DO READING IN EVERY CLASS. TO HELP US HEAR AS MANY CHILDREN AS POSSIBLE IN THAT TIME YOU ARE INVITED INTO SCHOOL TO LISTEN TO READERS. IF YOU CAN HELP LET US KNOW!

If you would like to help our school in any other way we would be delighted. Please catch a member of staff if there is something you could help with. We are very grateful to all our parent helpers!

Parents will need to be DBS checked before coming into school to help. Please contact with school office for more information.

Football Match vs Shobnall

The children played their final match before the 'winter break', losing narrowly to Shobnall Primary, 2-1. This has been the best start to a season since we gained our new sports field in 2004. Well done, children!

Reading

Please remember, your child can read any book at home and this counts towards their 'at home' reads in their reading record.

Please don't feel like you have to rely on the Oxford Reading Tree stage books.

Staffing

We are pleased to inform you that Miss Natasha Gouldingay will be taking over from Mrs Smith in Class 5 when we return to school in January.

She is really looking forward to working with the children, and she will be spending some time with us over the next few weeks to get to know the school.

Poppy Appeal

We will be selling poppies in school next week. If your child would like a poppy the suggested minimum donation is 40p.
