

I am going to  
**The Mosley  
Academy**

I can't wait!

Hello! My name is  
Mrs Gwynn and I will  
be your class  
teacher when you  
join in September.

---

This is Mrs  
Travers, I am your  
Teaching Assistant

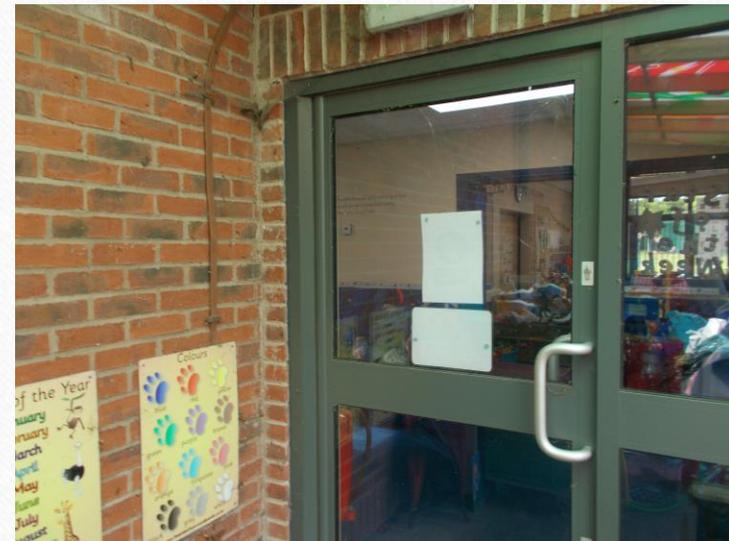

When you come to school in the morning  
you will come onto the playground and  
your teacher will meet you here.

---

You will come into school through  
these doors.

This is where you will hang  
your coat.

These are the toilets that you use.

You place your water bottle in the water bottle basket. At the end of the day, you take it home to get cleaned and refilled for the next day.

---

This is our class reading area. You will take a book home from your reading group each week and a book that you can read for pleasure with your grown-up.

---

You will have a drawer with your name on. This is where you can put your belongings and your cardigan / jumper if you get too hot!

---

Please don't bring any toys into school from home because we know that you would be upset if they get lost or broken!

This is our amazing classroom that we learn in.

---

This is our lovely outdoor learning area. You will get to play here every day.

---

This is our school hall. We use this space for PE, assemblies and special events. We eat our lunch in here.

We play on the playground at lunchtime.

When the grass is dry, we play on the field.

---

At The Mosley Academy, we want children to enjoy starting school and we understand the need to support them with this new experience. Through discussing this booklet with your child regularly, they will gain a much clearer view of what will happen at school. This may help to minimise any anxieties that they may have. Talking to your child about starting school in a positive way will also help them to be confident about it themselves.

Thank you for your support.

The EYFS team.
