Mr M Baxter, Headteacher

The Mosley Mile - Monday 25th June

You are invited to come and join us in running the 'Mosley Mile' on Monday 25th June at the start of the school day. We will take the children inside at 8.50am for register so if you want to stay to run the mile with us, stay on the yard and go onto the school field after the children have gone inside. They will come outside to meet you with their class and we will be able to run the mile!

Water bottles, hats and sun cream

During the Summer term we do take the children out every day. The children must bring their hat, sun cream and water bottle every day in the Summer term so that they stay safe in the sun. Thank you.

The D&T Man!

Thank you to The D&T Man who came into school this week to make phone stands with the children of Years 5 and 6. The children had a fabulous time and will be selling their products at the Summer Gala!
