Information Reminder - Nov 2019

Medicine – All medicine must be brought to the office and a form must be completed giving us authorisation to administer. Please do not send ANY medicine into school with your child, in their bag. PLEASE make sure that if your child needs an inhaler we have one in school.

Uniform and P.E Kit – All uniform and P.E kit **must** be labelled clearly. P.E kits must also be kept in school every day.

Sickness – If your child is sick they must not return to school for 48 hours, even if they feel well. Please help us to stop the spread of infection.

Bags – A health and safety reminder that children should not be bringing large rucksacks into school. They take up too much space in the cloakrooms and, consequently, end up on the floor causing trip hazards. Thank you for your support with this matter.

Appointments – Please make appointments for your child out of school hours wherever you can, either after school or during holidays.

Year 5 and 6 Sports hall Athletics

This week we took a team of Y5/6 children to Robert Sutton for the Sports Hall Athletics competition. The children competed brilliantly in a range of indoor athletics events. We are still waiting for the final results, but well done children!

Christmas Jumper Day

A big thank you to all the children for their great efforts today. We have a wonderful selection of things for the Christmas Fayre next week!

Olivia in Y6 has shown responsibility for her work, producing this great newspaper report at home! Well done Olivia!

HENHURST HILL DAILY

REPORTED BY OLIVIA YEAR 6...

On Monday the 21st of October there was a crash outside The Mosley Academy at seven thirty in the morning. The green fence was caved in by two cars. It had a lot of damage. This crash took place in Anslow

There were two cars in this crash. Outside the school is a risky bend which are just outside the school. The two cars were coming from the two ends and were speeding. At first they didn't see each other but when they turned round the bend they crashed into each other. Fortunately, nobody was hurt or

injured at the end of the crash.

When the crash took place, Scarlett's grandad was driving past at the scene. "When I drove past this accident saw the two me coming out of their cars". "Their cars were badly damaged but the two people were ok" The cars and the fence were both badly damaged. The fence had caved into the school bush but luckily none of the children nor teachers could escape.

In conclusion, everybody was ok except the cars and the fence. The cars that bumped into the fence would have to pay

for the damage. There was a police car at the scene so everything was okay and was sorted out. It is illegal to not have car insurance so if they didn't they would have to pay for all of the damage. Also they would be fined a few hundred pounds.

The front of the white car is damaged just like the real accident

The back of the black car is badly damaged!
