THE BEAST OF BUCKINGHAM PALACE

I think this is another one of David Walliams' greats; it is a really good book and it has lots of action in it. Personally, I think this is David Walliams' best book yet I recommend it is brilliant.

SUMMARY

The main character is Alfred (the heir to the throne of England); there is the Queen and the King, (Alfred's parents). Also there is the Lord Protector and Alfred's Nanny. It's a hundred years in the future; Britain hasn't seen the light of the sun for 50 years and a terrible rule has come to the UK and Alfred. The heir to the throne needs to stop it and he doesn't have long before the Lord Protector carries out his evil plan...

CAN HE DO IT? OR WILL IT TURN TO DISASTER!

Well done children!

Food brought in from Home

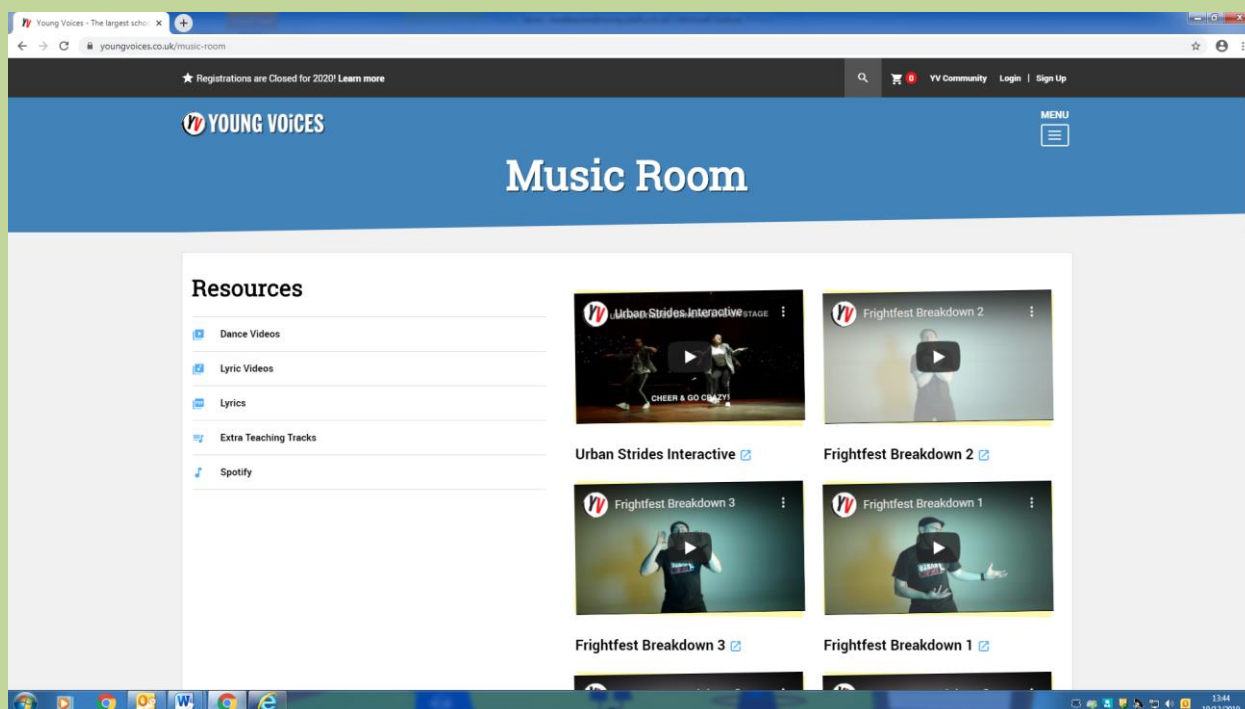

This week we have found children with Nutella, shell fish and sushi in their lunch boxes brought in from home. Please be aware we have many children in school with allergies, and a number who can have a severe allergic reaction to nuts. Please ensure spreads used for sandwiches do not contain nuts. Also we have children who are under investigation for allergies to shell fish and white fish.

Please be mindful of what you are sending into school with your child and we will keep parents updated if there are any changes after investigations have taken place.

Many thanks for your understanding in this very important matter.

Young Voices 2020

Years 3 - 6

The children can access the 'Music Room' on the Young Voices website. Click the 'Menu' button on the homepage and choose 'Music Room'. When prompted, type **YV2020** as the access code.

It will help greatly if the children can practice the songs (and dance moves!) before we go next week!

Thank you!
