Welcome Back

We hope you all had a good Easter break. It has been lovely to see the children back in school this week. The improved weather has been great and it allows us to work outside a lot more from now on. As lockdown restrictions ease it is important we continue to work hard as a community to follow the guidelines in place for keeping everyone safe. We are so grateful that all of our parents and carers are wearing a face covering on the yard, arriving at the right times and only sending one parent to pick up. All of our hard work is enabling us to be as safe as possible and keep the children in school. The next 11 weeks are going to be crucial for the children's recovery work and we have lots of exciting learning opportunities to come. Thank you for your support.

Contacting Teachers

This morning a Grandparent knocked on the window of a teacher's classroom before the start of the school day to speak to the teacher. This must not happen. If your child is picked up or dropped off by a Grandparent, please remind them that the teachers open the doors at 8.40am so can be contacted then. The alternative is to contact the office for an appointment. Thank you.

Hats, Sun cream and Water Bottles

As we are now in the summer term and the weather has already improved significantly, please provide your child/children with a hat and water bottle every day. If you can apply sun cream at home before school this will really help. The children can bring sun cream to school but they must be able to apply it themselves.

Class 3 Swimming

We are so proud of Class 3 who went swimming for the first time this week! They were wonderfully behaved and they received lots of fantastic comments from the swimming staff for their politeness and perseverance!
