### The Mosley Mile

As part of our commitment to healthy lifestyles and sport, this term we will be launching 'the Mosley Mile'. The children will be running a mile once a week, so they will need their PE kit in school all the time. We are finding children are taking their kit home but they need it in school every day please.

### Mellors Catering – Smoothie Bike

Today Mellors brought their Smoothie Bike to school, so the children could have a ride and make healthy smoothies!

### Hockey Quick Sticks

Very well done to the two hockey teams who competed in the Quick Sticks tournament this week. Team 1 won two and lost one. The second team lost two and drew one. Well done to all the children.

### Sun Safety

Please make sure the children bring a hat, sun cream and water bottle every day during the Summer term. If they can have sun cream applied before school that would be great. Thank you.
