Parent Consultation Evenings

Thank you to everyone for booking your parent consultation appointments. We look forward to seeing you next Tuesday and Thursday.

Books

Do you have any children's books which your child doesn't read anymore? We would love to receive any book donations on World Book Day to add to our classroom libraries. Many thanks in advance for your support.

Pippa Major's book review. Class One Jeffers Class.

My favourite book is called Unicorn Dreams. In the story there are places where you can go and visit unicorns. It has really nice places with butterflies. I like to read this story with mummy at bed time. I read the story to her. My favourite character is the unicorn because she has a sparkly horn and I love unicorns.

World Book Day – March 5th 2020

A reminder that World Book Day is next Thursday the 5th March. We are inviting the children to come to school dressed as their favourite book character. For ideas visit the official website using this link:- <https://www.worldbookday.com/ideas/dressing-up-gallery/> If you are struggling for dressing up inspiration, your child could bring a prop or object from their favourite book instead.

Stars of the Week

Reception - Hadley

Class 1 - Leo

Class 2 - Scarlett

Class 3 - Jacob

Class 4 - Tahlyah

Class 5 - Oliver

Class 6 - Darci

Headteacher's Award - Scarlett

Overall – 98.59%
Well done children!

Important Health and Safety Notice

If you arrive at school during the school day please take care when entering the site via the vehicle entrance.

Staff and visitors drive in and out of the entrance at various times during the school day and we also have delivery lorries and vans arriving regularly.

Please take particular care if you are arriving with your child through the vehicle entrance.

Also, please do not use the entrance or car park to drop off children.

Thank you.

Advice on the coronavirus for places of education

How serious is the coronavirus?

- it can cause flu-like symptoms, including fever, cough & difficulty breathing
- the infection is not serious for most people, including children
- there is currently no vaccine
- most people get better with enough rest, water to drink and medicine for pain

How likely are you to catch the virus?

- you can only catch it if you have been close to a person who has the virus
- the chance of being in contact with the virus is currently low in the UK
- if you have travelled to areas where many people are infected, your chance of catching the virus is higher, i.e. China and any affected areas

How can you stop coronaviruses spreading?

If you need to cough or sneeze

Catch it with a tissue

Bin it

Kill it by washing your hands with soap & water or hand sanitiser

After breaks & sport activities

Before cooking & eating

SCHOOL ETC.
On arrival at any childcare or educational setting

After using the toilet

Before leaving home

Try not to touch your eyes, nose, and mouth with unwashed hands

Do not share items that come into contact with your mouth such as cups & bottles

If unwell do not share items such as bedding, dishes, pencils & towels

Stop germs spreading with our e-Bug resources on hand and respiratory hygiene lesson plans for KS1, 2 and 3: campaignresources.phe.gov.uk/schools

What should you do if you feel unwell?

Keep away from others and stay at home to stop the infection spreading. Avoid public transport if you think you have symptoms of coronavirus. If you become unwell at a place of education, tell a member of staff and let them know if you have travelled to any other countries in the last 14 days.

If your staff member or parent thinks you have symptoms of coronavirus, they should call **NHS 111** for advice. Follow the UK Government advice for childcare or educational settings [gov.uk/government/publications/guidance-to-educational-settings-about-covid-19](https://www.gov.uk/government/publications/guidance-to-educational-settings-about-covid-19). Parents can visit **NHS.UK** to find out more information. Teachers and support staff should follow the UK Government advice.

Staff, students and pupils who have returned from Iran, specific lockdown areas in northern Italy, special care zones in South Korea or Hubei province China (returned in the past 14 days) should self isolate, and NOT attend education or work for 14 days. See **NHS.UK** for advice on coronavirus.

If there is an emergency, call 999 immediately
