Issue 23

### Take Care Everyone

This will be the last 'normal' newsletter for a while, which is a very strange thing to write.

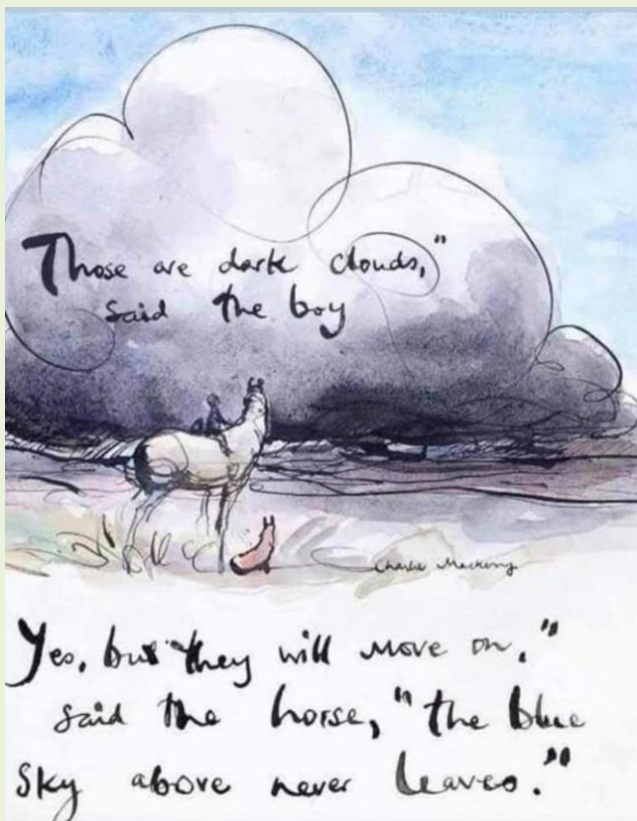

We will continue to follow government guidelines during the school closure and we will continue to pass them onto you.

We are all desperate to be back to normal as soon as possible, and we are looking forward to seeing all the children back together!

Please look after and support each other, and look out for the vulnerable people in our community, especially those for whom social distancing or isolation are very daunting prospects.

If we follow the Government guidelines and support each other we will get through this in no time!

Best wishes and stay safe.
